“Power to Lift” Mural

| Trivedi

“A mural is any piece of artwork painted or applied directly on a wall, ceiling or other permanent surface.” -Wikipedia

<https://en.wikipedia.org/wiki/Mural>

Some famous graffiti/mural artists we have discussed in the beginning of the semester:
Jean-Michel Basquiat
Banksy

On the right: Activist group called ArtLords in Afghanistan reclaiming Kabul. Images often include large eyes; some accompanied by the warning “I see you” or “God and the people are watching.” ArtLord’s goals are to discuss issues as corruption, extremism, and equality for women.

TASK:

- Inspired by: mural artist, Kelsey Montague
- Our theme: *We Have the Power to Lift Each Other*

Use the template I have provided you to fill out details in one design with colour and symbolism OR come up with a completely new design on the back. You will each have one canvas (if it is a VERY intricate section, you may work with a partner but discuss with me first!)

ONE PAGE in sketchbook: Keep track of things that lift you up and what you can do to lift someone up. Included colours words, drawings, and images that lift you.
